You love to walk through the city in style. You're not going to let the weather stop you but instead trust in the comfort of Sarlini. Fashionable, stylish, and contemporary. Accent your outfit throughout the year with our fashionable accessories. Mix and match with your favourite clothing. Get inspired by the many colours and patterns. Sarlini always offers the perfect match. We love accessories.

Sarlini was founded in 1980 and is nowadays designed by the Dutch design team of Anglo, a Brabant-based family company working in legwear fashion and fashion accessories. All our products are designed, produced, and distributed with care and attention. We offer you a contemporary line of high-quality fashion accessories that fit current fashion trends.
